

# **NGO COMMITTEE ON AGEING**

## **GENERAL MEETING**

### **HIV-AIDS AND OLDER PERSONS: A NEW CONCERN**

**DATE:** THURSDAY, DECEMBER 6, 2012

**TIME:** 1:00 -3:00 PM

**PLACE:** UNITED NATIONS CHURCH CENTER  
777 UN PLAZA (44<sup>TH</sup> STREET & 1<sup>ST</sup> AVE.)

#### **ABOUT THE PROGRAM:**

Antiretroviral medications have enabled persons with HIV to live longer while others have become infected with the virus in their later years. As a result, the past decade has been marked by a significant increase in HIV prevalence among older persons. This program will examine the implications for this growing but largely invisible group within the older population

**MODERATOR: Rosemary Lane**, Senior Social Affairs Officer and Focal Point on Ageing, UN DESA

#### **SPEAKERS:**

**Dr. Stephen Karpiak**, ACRIA Center on HIV and Aging, New York University College of Nursing

**Dr. Tonia Taylor**, Assistant Professor, Dept. of Medicine/ Special Treatment and Research Program, SUNY Downstate Medical Center

**Dr. Robert Brent**, Professor, Department of Economics, Fordham University

**Mr. Eduard Beck**, UNAIDS (invited)
