How To Use Your Twitter Account

Anna Stauber, Rami Abu Rafea
Why Twitter:

- Connect
- Inform
- Learn
Firstly, open your Twitter app or go to www.twitter.com. Click “Log in” if you already have an account, and click “Sign up” if you do not have an account.
Step 2 - Logging in:

Secondly, enter your email, phone number, or username.

Or create an account if you haven’t before.
Step 3

Next, you will see your home screen. From here Twitter will recommend tweets or users that you may be interested in and shows what is trending currently.
Step 4

Next, enter “UNandAgeing” into the search bar. This will lead you to our Twitter account.
Click “Follow” for the twitter posts from our committee to show up in your twitter feed.

- What is your feed?
- Other organizations to follow?
Liking:
Clicking the heart on the bottom of a post is what is called a “like”.
- Generally indicates agreement or endorsement of a post
Retweeting:
Posts what someone else said to YOUR page, and allows your followers to see it

Also used to show endorsement or approval of that tweet
Posting:
To post your own content go to the quill icon (phone) or the top of your home page.

You can name another user by using the “@” symbol and their username in the body of a tweet.

You are limited to character count of 280.
Hashtags: A useful tool to find similar content.
