

In Conversation with Dr Marie Beaulieu:

The Role of Global Actors and Networks in Raising Policy Priority for Elder Abuse

Co-Director, WHO Collaborative Centre, Age Friendly Communities/Elder Abuse;
Chairholder, Research Chair on Mistreatment of Older Adults

📅 14 January 2022

🕒 07:00 - 08:00AM EST

Greetings,

According to the key facts from World Health Organization, around 1 in 6 people 60 years and older experienced some form of abuse in community settings during the past year. Elder abuse is predicted to increase as many countries are experiencing rapidly ageing populations.ⁱ

As a Reacher on Aging of the Public Health and Social Services of the Eastern Townships region specialised on Age-friendly communities and countering mistreatment, Dr Beaulieu will share the experience in addressing elder abuse, the sense of security of older adults, ethics, aging and end-of-life care.
