

## In Conversation with Mr Simon Bottery: Long-term Care in England: Problems, Visions and Reform

Senior Fellow, Social Care at The King's Fund

 3 December 2021  07:00 - 08:00AM EST

Greetings,

The COVID-19 pandemic has shone a cruel light on old adults long-term care. If the long-term care market works well and matches supply and demand, people will definitely make wise choices to meet their care needs.

How do we reform the long-term care market especially for old adults?

As a Senior Fellow of Social Care in the King's Fund, Mr Bottery will share his extensive experience in policy, researching and campaigning on issues of long-term care funding and long-term care workforce.

Date and Time: Friday 3<sup>rd</sup> December 2021  
7:00-8:00 am (Eastern Time)

Opening Remarks: Mr Simon Bottery  
Senior Fellow, Social Care at The King's Fund
